

This aerial map shows a coastal region with a mix of green fields, brown agricultural land, and a small village. Two rectangular areas are highlighted with black borders and labeled in the bottom right corner: '4' (top) and '5' (bottom). A red dashed line traces a path that starts in the lower-left, moves north, turns east, and then continues north through the village area. A north arrow is located in the top right corner of the map.
